

Mt. Cross Ministries

Current Needs of Things, Time, and Talents

People

Volunteer Woodsmen and Trail Crews – stop paying that monthly gym fee. We really need some folks willing to come to camp when it is convenient for them to help gather, chop, and split wood and to do some basic trail maintenance. Campfires and hiking through the woods are so important to what we do.

Volunteer Painters – We have several buildings here at camp in need of a fresh coat.

Website Help – with Silicon Valley so close, we are in need of someone with php programming skills to help with some details on our website.

Rangers – come support your favorite camp by representing Mt. Cross to your Lutheran congregation. Contact camp for more info.

Crafty Ladies (or men) to help make some new curtains for all the windows around camp

Things

Nice framed pictures - of outdoor scenery to help spruce up the wall space around camp. Artwork of Mt. Cross is greatly appreciated.

Couches and Chairs - are always needed

Vehicles – help us get around to share the story of camp. If we don't end up using your vehicle, you can bless camp by allowing us to sell it and you receive a tax deduction.

Digital Camera – needed to help tell the story of camp

Vacuum Cleaners – good condition please

Portable Heaters - The small radiator-type electric heaters work the best and are readily available at most hardware stores.

Dehumidifiers - We always need these. Help us keep the mold under control!!

Reams of White Paper – Still working towards a paperless society here but we can always use paper to keep things running around here. Standard 8 1/2" x 11" Or we can chop up 11" x 17" paper.

Shop Tools - Especially needed are chainsaws. We also can use an array of standard shop tools such as power drills and saws. Please call if you have such an item to donate.

Donations of money to purchase items or projects are also welcome. If you have something not on the list, give us a call. We will do our best to put it to use.
