

**MT. CROSS MINISTRIES**  
 Providing profound experiences in God's creation

## Campership Request Form

At Mt. Cross, we're passionate about every person being able to experience the profound in God's creation - regardless of ability to pay. We've made a commitment to not turn away a camper because of financial reasons. If you have a camper but don't have the ability to pay the full price, please send in this form. We do need your help in being able to meet every request, though; if you are a member of a church, please ask them for assistance first and enter the amount they are willing to contribute on this form. Also, please prayerfully consider what you *are* able to pay, so that we can help every camper who needs it.

In applying for this campership, I certify that the camper would not otherwise be able to attend a camp session at Mt. Cross due to financial constraints. I understand no award is provided if the camper does not attend, and I may be asked to repay the amount awarded if the camper is sent home for disciplinary reasons. I also understand that if I've applied for a campership in previous years, any outstanding balances must be paid before this request for the current year is considered.
