_____

Mt. Cross will provide a team of three (3) staff, the programming, materials, and transportation to/from your church and the camp. As the congregation, you are responsible for providing space for the day camp to be held, lodging and meals for our staff, and possibly transportation for our staff to/from the church each day, as well as an available, onsite point person throughout the week. If your congregation has more than 21 campers, we deeply appreciate an additional volunteer to help with programming. If your congregation has more than 30 campers, we require additional volunteers to get us to a ratio of 1:10 or less. Your main contact person and/or your primary point person during the day camp week needs to have a conversation in the spring with the director at Mt. Cross to confirm details. To fully register your congregation for a day camp, we must have this completed form as well as a non-refundable deposit of 25% of the total cost. We will then require 50% of the remaining cost 30 days before the day camp and the remainder of the balance no later than the last day of your camp.
